

A Great Corps for Any Age!

Clearwater provides recreational opportunities for the young and the young at heart

More and more, Salvationists and Christian friends are considering Clearwater Florida as a great retirement destination.

The Clearwater Citadel is a great Corps and the area is a choice vacationland.

Boat shoes and golf deats, loafers and high heels– North Pinellas County life-style combines retirement living with beaches, sun and warm hospitality. Florida Trend recently ranked Pinellas County the number one large metropolitan county in Florida to live based on traffic congestion, availability of healthcare, crime rates, housing costs, and high school graduation rates. Entrepreneur magazine has ranked Pinellas County among the top 40 of large counties considered to be the best fit for small businesses, according to a 2005 survey by Dunn & Bradstreet and Entrepreneur magazine.

Housing

Salvationists live in many Clearwater neighborhoods; the largest concentration lives at On Top of the World - a condominium community near

the Corps. A typical unit there generally runs from \$70,000 to \$100,000. Florida residents are eligible for a Homestead Exemption (a \$25,000 reduction in taxable assessed value) for real estate taxes. Overall, real estate rates compare favorably to other officer retirement locations throughout the nation. (However, Florida does not have a state income tax at this time.) On Top of the World condo owners have free use of the heated swimming pool, use of the recently updated golf courses, and access to exercise facilities.

The communities of Largo, Dunedin, Safety Harbor, Palm Harbor, and Clearwater Beach are also convenient to the Corps.

Health care

We all want to stay in tip-top health in order to enjoy our retirement. The Clearwater area health care community helps us to do just that. There are three major hospitals within miles of the Corps (Morton Plant, Mease Dunedin and Mease Countryside), each has been awarded major national awards. Your fellow Salvationists here at the Corps would be happy to share their list of medical and dental professionals so that you will not have to pick names from the yellow pages for your health care concerns. In addition to the local hospitals, the Clearwater area has excellent long-term care and rehabilitation facilities. Tampa General Hospital has an outstanding transplant facility, and nearby Shands and Moffitt have world-class cancer treatment facilities.

The music forces of the Clearwater Corps are world-class.

Fellowship & Worship

Comfortably housed and healthy, the members of the

Clearwater Citadel Corps enjoy tremendous opportunities for worship and fellowship. A weekly podcast of our Holiness Meetings and more information may be found on our website: www.clearwatercitadelcorps.org.
